

DMS Opens Facility in Eastlake, Ohio

(Cleveland, OH) Direct Marketing Solutions (DMS), LLC, a full-service direct mail and data management organization, has opened a new facility in Eastlake, Ohio.

The new facility will allow DMS to expand their services by adding larger capacity printers for personalized direct mail, and gives DMS the ability to handle each project completely in-house.

DMS handles large volume direct mail printing and personalization, including programming and distribution, for a variety of marketing. Secure online database services also available. For more information please contact Tom Lucas, V.P. Programming, at DMS, LLC, 33851 Curtis Boulevard, Suite 211, Eastlake, Ohio 44095. Phone (440)942-8803, Fax: (440)942-8813, email: toml@dmsoh.com. Website information available at www.dmsoh.com.
